

[Phase 1 Starting] Aarav, a shy boy about to begin college, is shattered by a sudden vision of the future—screams, death, and despair flooding his mind. Panic consumes him, blurring illusion and reality.

Phase 1 :

CLUE 1 – THE VISION

Flames devoured curtains, smoke filled the hall, and locked doors sealed their fate.
Aarav blinked back to reality—thirty minutes remained.

CLUE 2 – THE WARNING

He begged strangers to leave, his voice shaking as fear turned to frenzy.
Laughter and doubt followed him out of the auditorium.

CLUE3 – THE BLAZE

Screams and fire erupted as news spread of the deadly inferno inside.
Only Aarav and those he convinced stood alive outside.

[Phase 2 Starting]With the investigation still going on and the mourning cries of the loved ones echoed. But there was still more to come.

Phase 2 :

CLUE 1 – THE DREAM

That night, Aarav dreamt of Kabir suffocating in a classroom, students clawing for air as poison gas poured through the vents. He woke in terror, his heart pounding.

CLUE 2 – THE WARNING

At sunrise, Aarav begged Kabir not to attend class, pleading with desperation. Kabir only laughed, brushing it aside as paranoia.

CLUE 3 – THE TRUTH

But fate struck anyway. Careless chemicals mixed in the storeroom, sending deadly gas through the ducts—claiming Kabir and everyone inside.

[Phase 3] After Kabir's gruesome death, one thing is clear—death spared them once, but now it hunts them with relentless thirst.

Phase 3 :

CLUE 1 – THE CONFESSION

Aarav, haunted by his visions, confessed everything to Riya, Mehul, and Sanya. They wanted to dismiss it as fear, yet the shadow of death lingered over them.

CLUE 2 – THE VISION

That night, he dreamt of a plane tearing apart mid-air. Flames rained down on their campus, and Mehul was buried beneath fire and falling stone.

CLUE 3 – THE SHADOW OVERHEAD

Planes thundered above their college each day, a constant reminder of danger. But somewhere beneath the roaring skies lay the key to survival—if only they could find it before the next fall.
